

## P&S Printing & Solutions

The Printing & Solutions (P&S) business is committed to the advancement of printing technologies, such as laser and inkjet printers, proposing “work-style innovation.” We offer a wide variety of products, from compact printers and All-in-Ones with multiple functions including printing, facsimile, copying and scanning all in one unit, to user-friendly labeling systems. Through these information and communications equipment, P&S accommodates wide-ranging needs from SOHO (Small Office, Home Office) to business offices.

## M&S Machinery & Solution

The Machinery & Solution (M&S) business helps customers enhance productivity and create new values through industrial sewing machines and machine tools.

Brother's industrial sewing machines offer a rich array of features such as ease of use, high-quality sewing capabilities and energy saving. The machine tool section provides support that is closely integrated with its proposals for machine tools that are best suited for processing parts for automobiles and motorcycles as well as IT-related parts for devices such as hard disc drives and mobile phones.
