USD	120.60	115.00	110.03
EUR	134.82	125.00	138.68

- ✓ Sales forecast has been revised upward by ¥70.0 billion by factoring in changes to the assumed exchange rates in light of the yen's depreciation and due to newly consolidated Domino.
- ✓ Despite a loss of ¥4.5 billion relating to Domino business, forecast for each income remains unchanged from the previous forecast mainly because the positive effect of forex is expected to offset the loss.

## Printing & Solutions

- ✓In some regions, sell-in was slow due to temporary adjustments in the distributor's channels. However, currently there is a sign of improvement.
- ✓In emerging countries, IJP with super high-yield refill ink tank were launched.

## Personal & Home

- ✓In developed countries, sales in North America remained steady although sales in Russia fell sharply.
- ✓Market share continued to grow in emerging markets in China and other Asian regions.

## Industrial sewing machine

- ✓Although sales in China significantly increased due to the launch of new lock stitch sewing machines, sales in other Asian regions were lower than expected due to economic slowdown.
- ✓In Europe and the Americas, strong sales of garment printers continued.

## Machine tools

- ✓Quarterly sales reached record high due to increased shipments to IT-related customers.
- ✓Steady sales to auto-related customers continued.

## Network & Contents

- ✓New online karaoke machine models were announced for the first time in three years.
- ✓Structure for operating total content business, from original recording through karaoke, was established by incorporating Teichiku Entertainment, Inc.

## Industrial Part
