EEU-ENG Version 0

# 2 Install the drum unit and toner cartridge assembly

ⓘ IMPORTANT

DO NOT connect the interface cable yet.

a Remove the protective tape and film covering the scanner glass.
**b** Press the front cover release button and open the front cover ①.

**c** Unpack the drum unit and toner cartridge assembly.
d Gently shake it from side to side several times to distribute the toner evenly inside the assembly.

e Put the drum unit assembly into the machine until it clicks into place.

f Close the front cover of the machine.

3 Load paper in the paper tray

a Pull the paper tray completely out of the machine.
b While pressing the blue paper-guide release lever ❶, slide the paper guides to fit the paper size you are loading in the tray. Make sure that the guides are firmly in the slots.
c Fan the stack of paper well to avoid paper jams and misfeeds.
d Put paper in the tray, and make sure that the paper is below the maximum paper mark ❶. The side to be printed on must be face down.
ⓘ IMPORTANT
Make sure the paper guides touch the sides of the paper so it will feed correctly.

e Put the paper tray firmly back in the machine. Make sure that it is completely inserted into the machine.

f Unfold the support flap ❶ to prevent paper from sliding off the face-down output tray.
4 Attach the control panel cover

a Open the document cover.

b Choose your language and attach the control panel cover to the machine.

📝 **Note**

If the control panel cover is not fitted correctly, the key operations will not work.

5 Connect the power cord

⚠ **IMPORTANT**

DO NOT connect the interface cable yet.

a Make sure that the machine power switch is off. Connect the AC power cord to the machine.

b Plug the AC power cord into an AC outlet. Turn the power switch on.

6 Choose your language

a After turning the power switch on, the LCD shows:

```
Select Language
Press OK Key
```

Press **OK**.

b Press ▲ or ▼ to choose your language and press **OK**.

```
Select ▲▼ or OK
English
```

c The LCD prompts you to confirm your selection.

```
English?
1.Yes 2.No
```

If the LCD shows the correct language, press **1**.

—OR—

Press **2** to go back to step **a** to choose the language again.

✎ **Note**

*If you have set the wrong language, you can change the language from the control panel menu of the machine. (**Menu, 1, 0**)*

7 Set the LCD contrast (if needed)

a Press **Menu**.

b Press **1**.

c Press **5**.

d Press ▲ to increase the contrast.

—OR—

Press ▼ to decrease the contrast.

Press **OK**.

e Press **Stop/Exit**.

8 Set the date and time

a Press **Menu**.

b Press **5**.

c Press **1**.

d Enter the last two digits of the year on the dial pad, and then press **OK**.

(e.g. Enter **0**, **9** for 2009.)

e Enter the two digits for the month on the dial pad, and then press **OK**.

(e.g. Enter **0**, **3** for March.)

f Enter the two digits for the day on the dial pad, and then press **OK**.

(e.g. Enter **2**, **5**.)

g Enter the time in 24-hour format on the dial pad, and then press **OK**.

(e.g. Enter **1 5**, **2 5** for 3:25 P.M.)

h Press **Stop/Exit**.

9 Automatic Daylight Savings Time

a Press **Menu**.

b Press **5**.

c Press **2**.

d Press ▲ or ▼ to choose On (or Off).
Press **OK**.

e Press **Stop/Exit**.

10 Choose your connection type
For USB Interface Users
Windows®, go to page 8
Macintosh, go to page 10

For USB Interface Users
(Windows® 2000 Professional/XP/XP Professional x64 Edition/ Windows Vista®)

11 Before you install

a Make sure that your computer is ON and you are logged on with Administrator rights.

b Turn off and unplug the machine from the AC outlet and disconnect it from your computer, if you already connected an interface cable.

12 Install MFL-Pro Suite

a Put the supplied CD-ROM into your CD-ROM drive. If the model name screen appears, choose your machine. If the language screen appears, choose your language.

> **Note**
>
> *If the Brother screen does not appear automatically, go to My Computer (Computer), double-click the CD-ROM icon, and then double-click Start.exe.*

b The CD-ROM top menu will appear. Click **Initial Installation**.

c Click **Install MFL-Pro Suite**.

d When the ScanSoft™ PaperPort™ 11SE **License Agreement** window appears, click **Yes** if you agree to the Software **License Agreement**.

e The installation of ScanSoft™ PaperPort™ 11SE will automatically start and is followed by the installation of MFL-Pro Suite.

f When the Brother MFL-Pro Suite Software **License Agreement** window appears, click **Yes** if you agree to the Software **License Agreement**.

g Choose **Standard**, and then click **Next**. The installation continues.

h If you do not want to monitor the machine status and error notifications from your computer, uncheck **Enable Status Monitor** and then click **Next**.

i When this screen appears, go to the next step.
13 Connect the USB cable

a Remove the label covering the USB interface connector.
b Connect the USB cable to the USB connector on the machine marked with the 🔌 symbol. Then connect the cable to your computer.

14 Connect the power cord

a Plug the AC power cord into an AC outlet. Turn the power switch on.

The installation of the Brother drivers will automatically start.

The screens appear one after another.

> **⚠ IMPORTANT**
>
> **DO NOT cancel any of the screens during the installation. It may take a few seconds for all screens to appear.**
b When the **On-Line Registration** screen is displayed, make your selection and follow the on-screen instructions. Once you have completed the registration process, close your web browser to return to this window. Then click **Next**.

15 Finish and restart

a Click **Finish** to restart your computer. After restarting the computer, you must be logged on with Administrator rights.

b In the **Check for Firmware Updates** screen, choose the firmware update setting you want and click **OK**. If you disabled the Status Monitor setting in step **h** the screen will not appear.

> **✍ Note**
>
> *Internet access is required for the firmware upgrade.*

Finish **The installation is now complete.**

> **✍ Note**
>
> *XML Paper Specification Printer Driver*
> *The XML Paper Specification Printer Driver is the most suitable driver when printing from the applications that use the XML Paper Specification documents. Please download the latest driver by accessing the Brother Solutions Center at http://solutions.brother.com/.*

For USB Interface Users
(Mac OS X 10.3.9 or greater)
11 Before you install

a Make sure your machine is connected to the power and your Macintosh is ON. You must be logged on with Administrator rights.

12 Connect the USB cable

❶ IMPORTANT

• **DO NOT connect the machine to a USB port on a keyboard or a non-powered USB hub.**

• **Connect the machine directly to your Macintosh.**

a Remove the label covering the USB interface connector.

b Connect the USB cable to the USB connector on the machine marked with the ⟷ symbol. Then connect the cable to your computer.
13 Install MFL-Pro Suite

a Put the supplied CD-ROM into your CD-ROM drive.

b Double-click **Start Here OSX** to install.

c The Brother software will search for the Brother device. During this time the following screen will appear.
d Choose the machine from the list, and then click **OK**.

e When this screen appears, click **OK**.
OK! **The installation of MFL-Pro Suite is now complete.**
Go to step 14 on page 10.

14 Install Presto! PageManager

When Presto! PageManager is installed OCR capability is added to Brother ControlCenter2. You can easily scan, share and organize photos and documents using Presto! PageManager.

a Double-click **Presto! PageManager** and follow the on-screen instructions.

Finish **The installation is now complete.**

Other Information

To use the machine safely

Please keep these instructions for later reference and read them before attempting any maintenance.

⚠ WARNING

|	
⚠ There are high voltage electrodes inside the machine. Before you clean the inside of the machine, make sure you have unplugged the power cord from the electrical socket. Doing this will prevent an electrical shock.	
⚠ DO NOT handle the plug with wet hands. Doing this might cause an electrical shock. Always make sure the plug is fully inserted.	
This product must be installed near an electrical socket that is easily accessible. In case of an emergency, you must unplug the power cord from the electrical socket to shut off the power completely.	
DO NOT use flammable substances, any type of spray or any organic solvent/liquids contains alcohol or ammonia to clean the inside or outside of the machine. Doing this may cause a fire or electrical shock. Refer to *Routine maintenance* in the *User's Guide* for how to clean the machine.	
DO NOT use a vacuum cleaner to clean up scattered toner. Doing this might cause the toner dust to ignite inside the vacuum cleaner, potentially starting a fire. Please carefully clean the toner dust with a dry, lint-free soft cloth and dispose of it according to local regulations.	
Other Information

⚠ CAUTION

After you have just used the machine, some internal parts of the machine will be extremely hot. When you open the front or back cover of the machine, DO NOT touch the shaded parts shown in the illustrations.
To prevent injuries, be careful not to put your hands on the edge of the machine under the document cover or scanner cover as shown in the illustrations.
To prevent injuries, be careful not to put your fingers in the area shown in the illustration.
When you move the machine, grasp the side hand holds that are located at the bottom of the machine. DO NOT carry the machine by holding the scanner unit.
❶ IMPORTANT

The fuser unit is marked with a Caution label. Please DO NOT remove or damage the label.
📝 Note

Keep a minimum gap around the machine as shown in the illustration.

IEC60825-1+A2:2001 Specification

This machine is a Class 1 laser product as defined in IEC60825-1+A2:2001 specifications. The label shown below is attached in countries where required.

CLASS 1 LASER PRODUCT
APPAREIL À LASER DE CLASSE 1
LASER KLASSE 1 PRODUKT
This machine has a Class 3B Laser Diode which emits invisible laser radiation in the Scanner Unit. The Scanner Unit should not be opened under any circumstances.

Internal laser radiation
Wave length: 770 - 810 nm
Output: 5 mW max.
Laser Class: Class 3B

⚠ WARNING

Use of controls, adjustments or performance of procedures other than those specified in this manual may result in hazardous radiation exposure.

Disconnect device
This product must be installed near an electrical socket that is easily accessible. In case of emergencies, you must disconnect the power cord from the electrical socket to shut off power completely.

Radio interference
This product complies with EN55022 (CISPR Publication 22)/Class B.

EU Directive 2002/96/EC and EN50419

European
Union only

This equipment is marked with the above recycling symbol. It means that all the end of the life of the equipment, you must dispose of it separately at an appropriate collection point, and not place it in the normal domestic unsorted waste stream. This will benefit the environment for all. (European Union only)

EU Directive 2006/66/EC - Removing or Replacing the Battery
This product incorporates a battery that is designed to last for the lifetime of the product. It is not to be replaced by the user. It should be removed as part of the machine recycling process at the end of life and appropriate precautions taken by the recycler.

International ENERGY STAR® Compliance Statement

The purpose of the International ENERGY STAR® Program is to promote the development and popularization of energy-efficient office equipment.

As an ENERGY STAR® Partner, Brother Industries, Ltd. has determined that this product meets the ENERGY STAR® guidelines for energy efficiency.

Options and Consumables
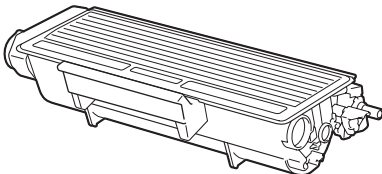

Options
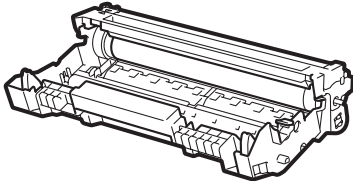

SO-DIMM Memory
You can expand the memory by installing a (144-pin SO-DIMM) memory module.

For more details about the optional compatible SO-DIMM Memory please see the *User's Guide* or visit http://solutions.brother.com/.

Replacement consumables

When the time comes to replace consumable items, an error message will be indicated on the LCD. For more information about the consumables for your machine, visit http://www.brother.com/original/ or contact your local Brother re-seller.
