

# Quick Setup Guide

## Unpack the machine and check the components

Read the Product Safety Guide first, and then read this Quick Setup Guide for the correct installation procedure.

**NOTE:**

- The components included in the box and the AC power plug connection may differ depending on your country.
- The illustrations in this Quick Setup Guide are based on the HL-L9200CDW.
- You must purchase the correct interface cable for the interface you want to use:  
**USB cable**  
 We recommend using a USB2.0 cable (Type A/B) that is no more than 6 feet (2 meters) long.  
**Network cable**  
 Use a straight-through Category 5 (or greater) twisted-pair cable for 10BASE-T or 100BASE-TX Fast Ethernet Network.

### 1 Remove the packing material from the machine

### 2 Load paper in the paper tray

### 3 Connect the power cord and turn on the machine

### 4 Select your language

1. Press > General Setup > Local Language.
2. Press your language.
3. On the machine's Touchpanel, press .

## Configuration using the CD-ROM (Windows®)

Follow the on-screen instructions until the **Connection Type** screen appears.

For USB Connection

For Wired Network Connection  
Connect a network cable first.

For Wireless Network Connection

Follow the on-screen instructions to continue the installation.

**Finish**

**NOTE:**

If connection is unsuccessful, repeat this step.

### Wireless Network Connection

**[Recommended]**  
Temporarily use a USB cable  
for easy setup.

**[Option]**  
Select if you do not have a USB cable.

Follow the on-screen instructions to continue the installation.

**Finish**

**NOTE:**

If connection is unsuccessful, repeat this step.

## Configuration without using the CD-ROM (Windows® without CD-ROM drive or Macintosh)

Download the full driver and software package from the Brother Solutions Center.  
(For Windows®) [solutions.brother.com/windows](http://solutions.brother.com/windows)  
(For Macintosh) [solutions.brother.com/mac](http://solutions.brother.com/mac)

## Print using your mobile device

Print from your mobile devices using our free application "Brother iPrint&Scan".

1. Connect the machine and wireless LAN access point/router from the machine's Touchscreen.

Press **WiFi**.

Press **Setup Wizard**.

Press **Yes** for Wireless Network.

Select the specified SSID,  
and then enter the Network key.

2. Download "Brother iPrint&Scan" to start using your machine with mobile devices.
