Download Brother iPrint&Scan from the App Store

Brother iPrint&Scan allows you to use features of your Brother machine directly from your iPhone, iPod touch, iPad, and iPad mini.

You can install Brother iPrint&Scan from the App Store. For best results, make sure you are using the latest version.

Device Connections

Connect your mobile device to your Brother machine using one of the following connection methods:

**Wi-Fi ®**

To configure your Brother machine for a Wi-Fi connection, see your machine’s Quick Setup Guide.

**Wi-Fi Direct ®**

To configure your Brother machine for a Wi-Fi Direct network, download any of the following guides from your model's Manuals page on the Brother Solutions Center at support.brother.com.

- Wi-Fi Direct Guide
- Software and Network User's Guide
- Online User's Guide

Your Brother machine must support Wi-Fi Direct.

**Remote Print (Google Cloud Print™)**

To configure your Brother machine for printing using Google Cloud Print, download the Google Cloud Print Guide from your model's Manuals page on the Brother Solutions Center at support.brother.com.

Your Brother machine must support Google Cloud Print.

Depending on your Brother machine and mobile device, supported connection methods may vary.
