Quick Setup Guide

Not all models are available in all countries.

The latest manuals are available at the Brother Solutions Center: <u>solutions.brother.com/manuals</u>.

Unpack the machine and check the components

Watch our FAQ Videos for help with setting up your Brother machine: <u>solutions.brother.com/videos</u>.

(For MFC-1915W and MFC-1916NW)

Inbox Toner Cartridge

 \bigcirc

CD-ROM

Telephone Line Cord (For MFC models)

A5 Long Edge Paper Input Support Read the Product Safety Guide first, then read this Quick Setup Guide for the correct installation procedure.

NOTE:

- The components included in the box and the AC power plug may differ depending on your country.
- The illustrations in this Quick Setup Guide are based on the MFC-1910W.
- You must purchase the correct interface cable for the interface you want to use. **USB cable**

We recommend using a USB 2.0 cable (Type A/B) that is no more than 2 metres long. **Network cable**

Use a straight-through Category 5 (or greater) twisted-pair cable for 10BASE-T or 100BASE-TX Fast Ethernet Network.

Secure Network Access

Your machine's default password is on the label on the back of the machine (preceded by "Pwd"). We strongly recommend you change it to protect your machine from unauthorised access.

Remove the packing materials and install the toner cartridge

Connect the power cord and turn on the machine

Δ

Select your country/language

After turning on the machine, you may be required to set your country or language (depending on your machine). If required, follow the on-screen instructions.

Change your language (if needed)

Only for certain models

1. (DCP models)

5

Press Menu, and then press ▲ or ▼ to choose 1.General Setup.
Press OK.

(MFC models) Press Menu, 0, 0, and go to step 3.

- **2.** Press ▲ or ▼ to choose 0.Local Language, and then press OK.

- 4. Press Stop/Exit.

6 Connect the telephone line cord (for MFC models only)

(MFC-1915W / MFC-1916NW)

(MFC-1910W / MFC-1911W / MFC-1911NW)

Connect the machine to your computer/mobile device

- Windows® PC with a CD-ROM drive, go to step 7A
- Windows[®] PC without a CD-ROM drive, go to step 7B
- Macintosh, go to step 7B
- Mobile device users with a WPS/AOSS[™]-supported access point/router, go to step 7C

Configuration using the CD-ROM (Windows[®])

NOTE:

0

If the Brother screen does not appear automatically, go to **Computer (My Computer)**. (For Windows[®] 8: click the 🔛 (**File Explorer**) icon on the taskbar, and then go to **Computer**.) Double-click the CD-ROM icon, and then double-click **start.exe**.

Connection Type

Wireless Network Connection

[Recommended]

Select this option if you have a USB cable to use temporarily for wireless setup.

Select this option if you do not have a USB cable.

Follow the on-screen instructions to continue installation.

NOTE: If connection is unsuccessful, repeat this step.

Finish

Configuration without using the CD-ROM (Windows[®] without CD-ROM drive or Macintosh)

Download the full driver and software package from the Brother Solutions Center. (For Windows®) <u>solutions.brother.com/windows</u>

(For Macintosh) solutions.brother.com/mac

After you download the driver and software package, follow the on-screen instructions until the **Connection Type** screen appears. Refer to **7A** Configuration using the CD-ROM (Windows[®]).

7C

WiFi

হ

One-push wireless setup for mobile devices (Wireless models only)

If your wireless LAN access point/router supports automatic wireless (one-push) setup (WPS/AOSS™), you can set up your machine without using a computer.

Press the WPS or AOSS[™] button on your wireless LAN access point/router.

Press the WiFi button on your machine.

Wireless setup is now complete.

NOTE:

Before you can use your machine with your mobile device, download "Brother iPrint&Scan."

Download "Brother iPrint&Scan" to start using your machine with mobile devices.
