Quick Setup Guide

The latest manuals are available at the Brother Solutions Center: solutions.brother.com/manuals.

Unpack the machine and check the components

Drum Unit
(Pre-installed) — A

USB Interface Cable

Handset, Handset Cord and Telephone Line Cord (For MFC models)

Inbox Toner Cartridge — B

CD-ROM

Quick Setup Guide and Product Safety Guide
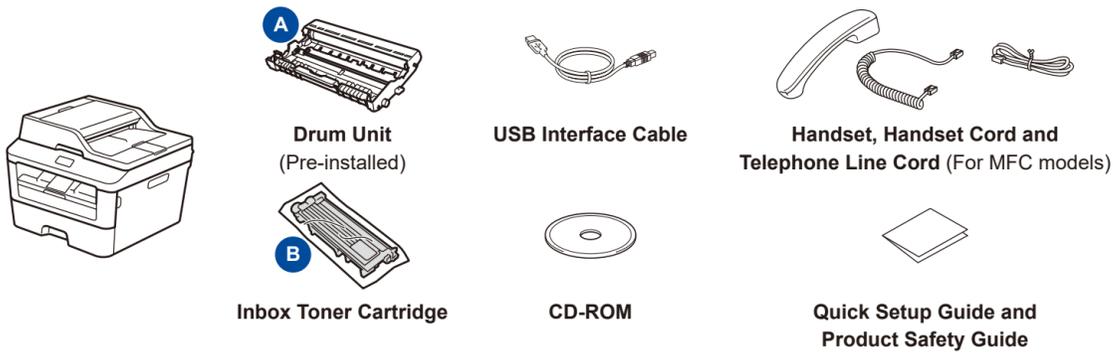

Read the Product Safety Guide first, then read this Quick Setup Guide for the correct installation procedure.

NOTE:
• The available connection interfaces vary depending on the model.
• The illustrations in this Quick Setup Guide are based on the MFC-7880DN.

USB cable
We recommend using a USB 2.0 cable (Type A/B) that is no more than 2 meters long.

Network cable (DCP-7180DN / MFC-7880DN)
Use a straight-through Category 5 (or greater) twisted-pair cable for 10BASE-T or 100BASE-TX Fast Ethernet Network.
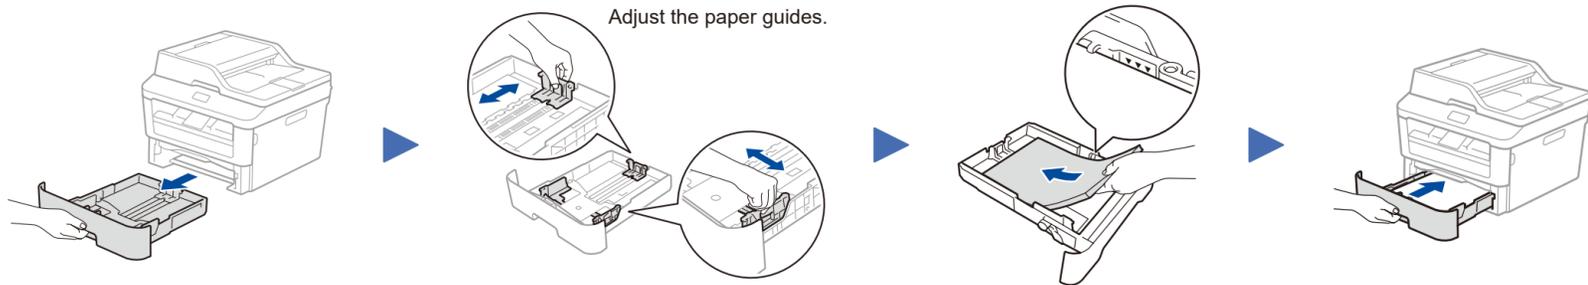

Secure Network Access
Your machine's default password is on the label on the back of the machine (preceded by "Pwd").
We strongly recommend you change it to protect your machine from unauthorised access.
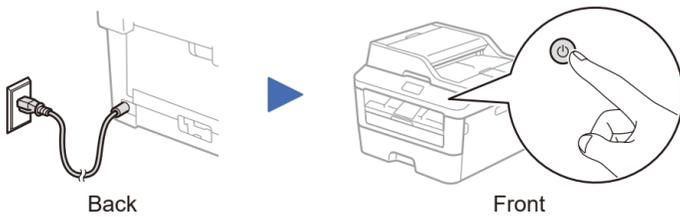

1 Remove the packing materials and install the toner cartridge

Remove the orange part.

Remove the orange part.
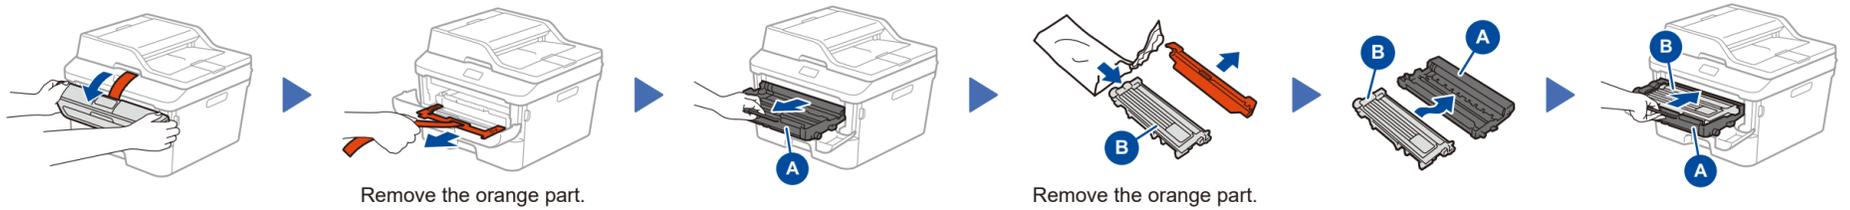

2 Load paper in the paper tray
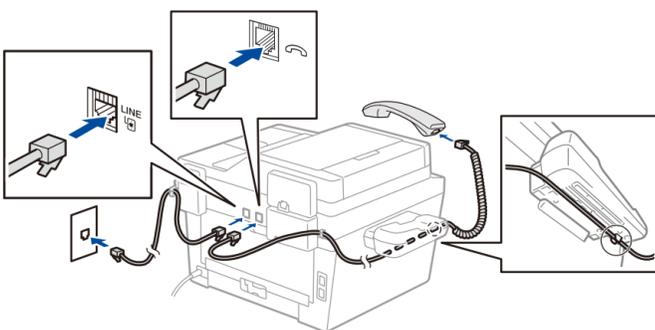

Adjust the paper guides.

3 Connect the power cord and turn on the machine

Back

Front

4 Configure the machine for faxing (for MFC models only)

If you do not plan to use the fax feature on this machine, go to step **5**.
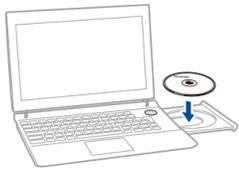

Connect the telephone line cord

# 5 Connect the machine to your computer/mobile device

- Windows® PC with a CD-ROM drive, go to step **5A**
- Windows® PC without a CD-ROM drive, go to step **5B**
- Macintosh, go to step **5B**

5A Configuration using the CD-ROM (Windows®)

NOTE:
If the Brother screen does not appear automatically, go to **Computer (My Computer)**. (For Windows® 8: click the (**File Explorer**) icon on the taskbar, and then go to **Computer**.) Double-click the CD-ROM icon, and then double-click **start.exe**.

Follow the on-screen instructions to continue installation until either the **Connect the machine** or the **Connection Type** screen appears.

- ■ **Connect the machine**: Follow the on-screen instructions to continue installation. → **Finish**

- ■ **Connection Type**:

Connection Type

Brother Printing Device Installation

Connection Type

Select the connection type of the device you want to install, and then click Next.If you want to install the PS driver (Brother's BR-Script Driver), choose Custom install.

○ Local Connection (USB)
☐ Custom Install

○ Wired Network Connection (Ethernet)
☐ Custom Install

InstallShield

< Back   Next >   Cancel

For USB Connection

For Wired Network Connection
Connect a network cable first.

Follow the on-screen instructions to continue installation. → **Finish**

NOTE:
If connection is unsuccessful, repeat this step.

5B Configuration without using the CD-ROM (Windows® without CD-ROM drive or Macintosh)

Download the full driver and software package from the Brother Solutions Center.
(For Windows®) solutions.brother.com/windows
(For Macintosh) solutions.brother.com/mac

After you download the driver and software package, follow the on-screen instructions until either the **Connect the machine** or the **Connection Type** screen appears. Refer to **5A** *Configuration using the CD-ROM (Windows®)*.
