brother

Quick Setup Guide

Read the *Product Safety Guide* first, then read this *Quick Setup Guide* for the correct installation procedure.

Unpack the machine and check the components

A Drum Unit

B Inbox Toner Cartridge
NOTE:
- The available connection interfaces vary depending on the model.
- Use the appropriate interface cable for the connection you want to use. (Network cable is not a standard accessory.)

  USB cable
  We recommend using a USB 2.0 cable (Type A/B) that is no more than 2 metres long.

  Network cable
  Use a straight-through Category 5 (or greater) twisted-pair cable.

- The illustrations in this *Quick Setup Guide* show the MFC-B7720DN.

Installation & Using Videos

Handset, Handset Cord and Phone Line Cord
(For MFC-B7720DN/MFC-B7700D)

USB Interface Cable

Brother Installation Disc

Quick Setup Guide Product Safety Guide

Secure Network Access
Your machine's default password is on the label on the back of the machine (preceded by "Pwd"). We strongly recommend you change it to protect your machine from unauthorised access.

## 1 Remove the packing materials and install the drum unit and toner cartridge assembly

A

① ② ①
Remove the orange part.

B

B **A**

B **A**

Push firmly.

---

2 Load paper in the paper tray

Adjust the paper guides.

Do not exceed this mark.

Load the paper in the tray with the printing surface down.

---

3 Connect telephone line and power cord, and turn the machine on.
Connect telephone line and handset cord
(Only for MFC-B7220DN/MFC-B7700D)
4 Select a device to connect to your machine

Computer
Go to **5** and follow the instructions.

NOTE:
We recommend configuring wireless settings from your computer.

Mobile Device (MFC-B7720DN/DCP-B7535DW/DCP-B7530DN/DCP-B7520DW)

Go to **6** and follow the instructions.

---

5 Connect your computer

Brother regularly updates firmware to add features and apply bug fixes. To check for the latest firmware, visit support.brother.com/up5.

Download

Put the installation disc into your CD/DVD drive, or download the Full Driver & Software Package at:

www.95105369.com

If you are using a recently released operating system on your computer, visit the above websites for updated driver and software information.

▶ **Follow the on-screen instructions and prompts.**

For Windows®:
If the Brother screen does not appear automatically, go to **Computer (This PC)**. Double-click the CD/DVD-ROM icon, and then double-click **start.exe**.

For Mac:
For full driver functionality, we recommend choosing the **CUPS driver** when adding a printer.

▶ **Finished**

Can't Connect? Check the following:

|			
📶 Wireless network	▶ Restart your wireless access point/router (if possible).		If still not successful, go to **6**.
🖧 Wired network / 🔌 USB connection	▶ Disconnect the cable.	▶ Restart your machine and computer, and then go to **5**. ▶	If still not successful, visit www.95105369.com for FAQs & Troubleshooting.

---

6 Alternative wireless setup (DCP-B7535DW/DCP-B7520DW)

Find your SSID (Network Name) and Network Key (Password) on your wireless access point/router and write them in the table provided below.

SSID (Network Name)	
Network Key (Password)	

SSID: XXXXXXX
Network key: XXXX

If you cannot find this information, ask your network administrator or wireless access point/router manufacturer.

▶ To select each menu option, press ▲ or ▼, and then press **OK** to confirm.
Select [Network] > [WLAN] > [Setup Wizard], and then press ▲.

▶ Select the SSID (Network Name) for your access point/router and enter the Network Key (Password).

When the wireless setup is successful, the touchscreen displays [Connected].

If setup is not successful, restart your Brother machine and your wireless access point/router, and repeat **6**.

For Computer

Go to **5** to install software.

For Mobile Device

Go to **7** to install apps.

---

7 Print or scan using your mobile device (Scan only by Brother iPrint&Scan) (MFC-B7720DN/DCP-B7535DW/DCP-B7530DN/DCP-B7520DW)

Your mobile device must be connected to the same wireless network as your Brother machine. (See **6**)

Download and install our free application **Brother iPrint&Scan**.

Read the two-dimensional code (or Visit http://m.95105369.com/I-SDownload.aspx), download and install our free application **Brother iPrint&Scan**.

NOTE:
We suggest Android users using a mobile browser to scan and download our product.

AirPrint is available for all supported iOS devices including iPhone, iPad and iPod touch. You do not need to download any software to use AirPrint. For more information, see the *Online User's Guide*.

Works with Apple AirPrint

Search Mopria from the sesrch engine you use, then download and install the Mopria® Print Service app using your Android™ device.
Optional apps
You can print from and scan to your mobile device using various apps (Scan only by **Brother iPrint&Scan**). For instructions, see the *Online User's Guide*.
