Inbox Ink Cartridges*
• Black
• Yellow
• Cyan
• Magenta
*Ink cartridges contain approximately the same page yield as replacement cartridges (Standard).

Quick Setup Guide
Product Safety Guide

Brother Installation Disc

Power Cord

Telephone Line Cord (MFC models only)

(Australia only) (Hong Kong only)

Telephone Line Cord Adapter (MFC models only)

NOTE
• Most of the illustrations in this *Quick Setup Guide* show the MFC-J491DW.
• Save all packing materials and the box in case you must ship your machine.
• **You must purchase the correct interface cable for the interface you want to use.**

USB cable
We recommend using a USB 2.0 cable (Type A/B) that is no more than 2 metres long.
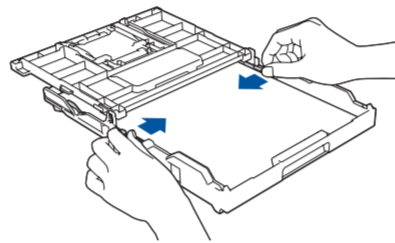

Secure Network Access
Your machine's default password is on the label on the back of the machine (preceded by "Pwd").
We strongly recommend you change it to protect your machine from unauthorised access.

---

2 Load paper in the paper tray

NOTE
Pull out the paper support ❶, and unfold the paper support flap ❷ so that the printed pages do not fall.
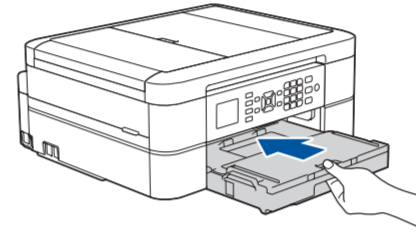

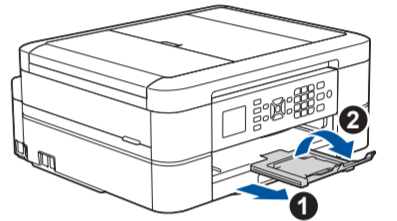

Open the output paper tray cover ❶.

Adjust the paper guides.
Fan the paper well and load it in the tray.

Close the output paper tray cover, and then slowly push the tray completely into the machine.

---

3 Connect the power cord

(Example for Australia)

NOTE
You can adjust the control panel angle to read the LCD more easily.

4 Select your country or language (Initial setup only)

After turning the machine on, you may need to set your country or language (depending on your machine). If required, follow the on-screen instructions.
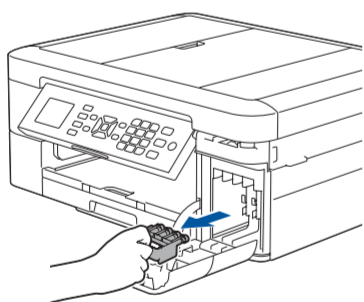

5 Set the date and time

Follow the prompts displayed on the LCD to set the date and time.

## 6 Install the inbox ink cartridges

Open the ink cartridge cover, and then remove the orange protective part from the machine.

NOTE
Do not throw away the orange protective part. You will need it if you transport the machine.

Follow the steps on the LCD to unpack and install the ink cartridges.
The machine will prepare the ink tube system for printing.

Quickly shake just the **black** ink cartridge horizontally 15 times as shown, before inserting it into the machine.

7 Machine settings

When the machine has finished the initial cleaning process, follow the steps on the LCD to configure the machine's settings.
• Check print quality
• Set Firmware Update defaults
• Print the installation sheet

---

8 Select your language (if needed and only for certain models)

1. Press **Settings**.

2. Press ▲ or ▼ to select the following:
   a. Select [Initial Setup], and then press **OK**.
   b. Select [Local Language], and then press **OK**.
   c. Select your language, and then press **OK**.

3. Press **Stop/Exit**.

9 Connect the telephone line cord (MFC models only)

If you are not using your machine as a fax, go to 10.
For more information on using the fax feature, see the *Online User's Guide*.
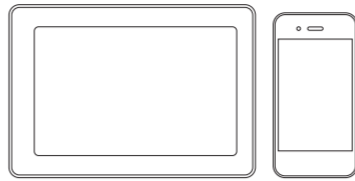

(Example for Australia)

10 Select a device to connect to your machine

Computer

Go to **11** and follow the instructions.

Mobile Device

Go to **12** and follow the instructions.

---

11 Connect your computer

Brother regularly updates firmware to add features and apply bug fixes.
To check for the latest firmware, visit support.brother.com/up4.

Download

Put the installation disc into your CD/DVD drive, or download the Full Driver & Software Package at:

For Windows®: support.brother.com/windows
For Mac: support.brother.com/mac

If you are using a recently released operating system on your computer, visit the above websites for updated driver and software information.

Follow the on-screen instructions and prompts.

For Windows®:
If the Brother screen does not appear automatically, go to **Computer** (**My Computer**/**This PC**). Double-click the CD/DVD-ROM icon, and then double-click **start.exe**.

For Mac:
For full driver functionality, we recommend choosing the **CUPS driver** when adding a printer.

For USB Connection:
Locate the correct port inside the machine as shown.

Finished

Can't Connect? Check the following:

|			
Wireless network	Restart your wireless access point/router (if possible).	Restart your machine and computer, and then go to **11**.	If still not successful, go to **12**.
USB connection	Disconnect the cable.		If still not successful, visit support.brother.com for FAQs and Troubleshooting.

---

12 Alternative wireless setup

Even if you do not have a wireless access point/router, you can connect your device and your machine directly. For additional wireless network support, go to support.brother.com/wireless-support.

Find your SSID (Network Name) and Network Key (Password) on your wireless access point/router and write them in the table provided below.

SSID (Network Name)	
Network Key (Password)	

SSID: XXXXXXX
Network key: XXXX

If you cannot find this information, ask your network administrator or wireless access point/router manufacturer.

1. Go to your machine, and press **WiFi** on the panel. Press **OK** to select [Setup Wizard]. The [Enable WLAN?] message appears on the LCD.

2. Press ▶ to select Yes.

Select the SSID (Network Name) for your access point/router and enter the Network Key (Password).
For more information, see *Enter Text on Your Brother Machine* in the *Online User's Guide*.

When the wireless setup is successful, the LCD displays [Connected].

If setup is not successful, restart your Brother machine and your wireless access point/router, and repeat **12**.

For Computer

Go to **11** to install software.

For Mobile Device

Go to **13** to install apps.

---

13 Print or scan using your mobile device

Your mobile device must be connected to the same wireless network as your Brother machine.

Brother SupportCenter is a mobile app that provides the latest support information for your Brother product.
Visit the App Store or Google Play™ to download.

Works with
Apple AirPrint

AirPrint is available for all supported iOS devices including iPhone, iPad, and iPod touch. You do not need to download any software to use AirPrint. For more information, see the *Online User's Guide*.

mopria

Download and install the Mopria® Print Service app from Google Play™ using your Android™ device.

brother

Download and install our free application **Brother iPrint&Scan** from a mobile application store, such as the App Store, Google Play™, or Microsoft® Store using your mobile device.

Optional apps
You can print from and scan to your mobile device using various apps.
For instructions, see the *Online User's Guide*.
