Read this guide before attempting to operate the product, or before attempting any maintenance, and ensure that you follow all warnings and instructions marked on the product. If you have concerns about how to use your product safely after reading this guide, contact Brother customer service or your local Brother dealer. Failure to follow these instructions may result in an increased risk of personal injury or damage to property, including through fire, electrical shock, burns or suffocation. Brother shall not be liable for the damage caused where the product owner has failed to follow the instructions set out in this guide or on the product.

For more advanced instructions, information, and product specifications, see the *Online User's Guide* at support.brother.com/manuals.

Symbols and Conventions Used in the Documentation

WARNING

WARNING indicates a potentially hazardous situation which, if not avoided, could result in death or serious injuries.

CAUTION

CAUTION indicates a potentially hazardous situation which, if not avoided, may result in minor or moderate injuries.

IMPORTANT

IMPORTANT indicates a potentially hazardous situation which, if not avoided, may result in damage to property or loss of product functionality.

NOTE

NOTE specifies the operating environment, conditions for installation, or special conditions of use.

Prohibition icons indicate actions that must not be performed.

This icon indicates that flammable sprays must not be used.

This icon indicates that organic solvents/liquids such as alcohol must not be used.

Electrical Hazard icons alert you to the possibility of an electric shock.

Fire Hazard icons alert you to the possibility of a fire.

Explosion Hazard icons alert you to the possibility of an explosion.

This icon alerts you to the possibility of being injured by moving parts.

This icon alerts you to the areas that contain moving parts.

This icon alerts you to the possibility of being injured by sharp edges.

Font Styles Used in the Documentation

The definitions of font style are as follows:

Bold	Bold typeface identifies specific buttons on the product's control panel or on the computer screen.
<i>Italics</i>	Italicised style emphasises an important point or refers you to a related topic.
Courier New	Text in Courier New font identifies messages on the LCD of the product.

Compilation and Publication Notice

Not all models are available in all countries.

The illustrations in this guide show the MFC-J6955DW.

This product's manuals have been compiled and published to provide the latest product safety information at the time of publication. The information contained in these manuals may be subject to change.

For the latest manuals, visit support.brother.com.

Choose a Safe Location for Your Product

WARNING

Choose a location where the temperature remains between 10°C and 35°C, the humidity is between 20% and 80%, and where there is no condensation.

Do not install or use in areas where explosive or electrically conductive dusts are generated.

DO NOT expose the product to direct sunlight, excessive heat, open flames, corrosive gasses, moisture, or dust. Doing so may create a risk of an electrical shock, short circuit, or fire, causing damage to the product and/or rendering it inoperable.

DO NOT place the product near chemicals or in a place where chemicals could be spilled on it. Should chemicals come into contact with the product, there may be a risk of fire or electrical shock. In particular, organic solvents or liquids such as benzene, paint thinner, polish remover, or deodoriser may melt or dissolve the plastic cover and/or cables, resulting in a risk of fire or electrical shock. These or other chemicals may cause the product to malfunction or become discoloured.

DO NOT place this product on an unstable surface, particularly if children are expected to be near the product. The product is heavy and may fall, causing injury to you or others and serious damage to the product. For products with scanning functionality, there is an added risk of injury if the scanner glass should break.

CAUTION

Put your product on a flat, stable surface (such as a desk), that is free from vibration and shocks. Put the product near a telephone socket (models with the fax function only) and a standard grounded electrical socket.

Avoid placing your product in a busy area. If you must place it in a busy area, ensure that the product is in a safe location where it cannot be accidentally knocked over, which could cause injury to you or others and serious damage to the product.

Ensure that cables and cords leading to the product are secured so as not to pose a tripping hazard.

DO NOT place heavy objects on the product.

DO NOT place any objects around the product. Such objects block the access to the electrical socket in case of emergency. It is important that the product can be unplugged whenever needed.

IMPORTANT

- DO NOT place your product next to devices that contain magnets or generate magnetic fields. Doing so may interfere with the operation of the product, causing print quality problems.
- DO NOT place the product on any tilted/slanted surface. DO NOT tip the product after ink cartridges are installed. Doing so may cause ink spillage and internal damage to the product.
- DO NOT place your product next to sources of interference, such as speakers or the base units of cordless telephones. Doing so may interfere with the operation of the product's electronic components.

- DO NOT place anything in front of the product that will block printed pages or received faxes (models with the fax function only).
-

Connect the Product Safely

WARNING

ELECTRICAL HAZARDS

Failure to follow the warnings in this section may create the risk of an electrical shock. In addition, you could cause a short circuit, which may create the risk of fire.

There are high-voltage electrodes inside the product. Before you access the inside of the product, including for routine maintenance such as cleaning, make sure you have unplugged the telephone line cord first (models with the fax function only) and then the power cord from the electrical socket, as well as any telephone/RJ-11 (models with the fax function only) or Ethernet/RJ-45 cables (network models only) from the product.

DO NOT push objects of any kind into this product through slots or openings in the product, as they may touch dangerous voltage points or short-out parts.

DO NOT handle the plug with wet hands. Doing this might cause an electrical shock.

Always make sure the plug is fully inserted. DO NOT use the product or handle the cord if the cord has become worn or frayed.

Unplug the power plug regularly to clean it. Use a dry cloth to clean the root of the plug blades and between the blades. If the power plug is plugged into the socket over a long period, dust accumulates around the plug blades, which may cause a short circuit, resulting in a fire.

DO NOT drop any metal objects or any type of liquid on the power plug of the product. It may cause an electrical shock or a fire.

This product should be connected to an AC power source within the range indicated on the rating label on your machine. DO NOT connect it to a DC power source or inverter. If you are not sure what kind of power source you have, contact a qualified electrician.

Use the Product Safely

WARNING

Plastic bags are used in the packing of this product. Plastic bags are not toys. To avoid the danger of suffocation, keep these bags away from babies and children, and dispose of them correctly.

ELECTRICAL HAZARDS

Failure to follow the warnings in this section may create the risk of an electrical shock. In addition, you could cause a short circuit, which may lead to fire.

DO NOT dismantle this product. Dismantling this product could cause a fire or electrical shock.

DO NOT attempt to service this product yourself. Opening or removing covers may expose you to dangerous voltage points and other risks and may void your warranty. Refer all servicing to Brother customer service or your local Brother dealer.

If the product has been dropped or the casing has been damaged, there may be the possibility of an electrical shock. Unplug the product from the electrical socket and contact Brother customer service or your local Brother dealer.

If water, other liquids, or metal objects get inside the product, immediately unplug the product from the electrical socket and contact Brother customer service or your local Brother dealer.

DO NOT use this product during a thunderstorm. There may be a remote risk of an electrical shock from lightning.

FIRE HAZARDS

Failure to follow the warnings in this section may create the risk of fire.

DO NOT use flammable substances, any type of spray, or an organic solvent/liquid containing alcohol or ammonia to clean the inside or outside of the product. Doing so could cause a fire. Instead, use only a dry, lint-free cloth. For instructions on how to clean the product, see the *Online User's Guide*.

(Models with the Wireless LAN function only)

DO NOT use the product near any medical electrical equipment. The radio waves emitted from the product may affect medical electrical equipment and cause a malfunction, which may result in accident or injury.

For users with pacemakers:

This product generates a weak magnetic field. If you feel anything wrong with the operation of your pacemaker when near the product, move away from the product and consult a doctor immediately.

DO NOT place metal objects, such as clips, staples, or jewellery on the product. If these objects contact the electrical parts inside the product, it may cause a fire or electrical shock.

DO NOT place a container holding water or liquid on the product. The water or liquid in the container may spill into the product making contact with the electrical parts inside the product, which may cause a fire or electrical shock.

If the product becomes unusually hot, releases smoke, generates any strong smells, or if you accidentally spill any liquid on it, immediately unplug the product from the electrical socket. Contact Brother customer service or your local Brother dealer.

(Models with the fax function only)

Use caution when installing or modifying telephone lines. Never touch telephone wires or terminals that are not insulated unless the telephone line has been unplugged from the wall socket.

Never install telephone wiring during a thunderstorm. Never install a telephone wall socket in a location that is wet or may become wet, for example, near a refrigerator or other appliance that produces condensation.

Power Cord Safety:

- This product is equipped with an earthed plug. This plug will only fit into an earthed electrical socket. This is a safety feature. If you are unable to insert the plug into the socket, ask your electrician to replace your obsolete socket. DO NOT attempt to defeat the purpose of the earthed plug.
 - DO NOT allow anything to rest on the power cord.
 - DO NOT place this product where others might step on the cord.
 - DO NOT place this product in a position where the cord is stretched or strained, as it may become worn or frayed.
 - DO NOT use the product or handle the cord if the cord has become worn or frayed. If unplugging your product, DO NOT touch the damaged/frayed part.
 - DO NOT pull on the middle of the AC power cord; pulling on the middle may cause the cord to separate from the plug. Doing this might cause an electrical shock.
 - DO NOT use any undesignated cables (or optional devices). Doing so may cause a fire or injuries. Installation must be performed correctly according to the *Quick Setup Guide*.
 - Brother strongly recommends that you DO NOT use any type of extension cord.
 - This product should be positioned so that nothing pinches or constricts the power cord.
 - DO NOT use cables that do not meet the cable specifications described in the *Online User's Guide: Specifications*. Doing so may cause a fire or injuries.
 - If the power cord is provided with this product, use ONLY the provided cord. Installation must be performed correctly as described in the *Quick Setup Guide*.
-

CAUTION

Wait until pages have exited the product before picking them up. Failure to do this may cause injury to your fingers by trapping them inside the machine.

DO NOT put your hand or any foreign objects into the ink insertion slot. Doing this may cause injury.

If the paper tray is extended to hold large size paper, position the product so that the tray does not extend past the edge of the surface on which the product sits. If someone hits the paper tray, the product could fall and cause injury.

To prevent injuries, be careful not to put your fingers in the areas shown in the illustrations.

MFC-J6959DW)

* Example for MFC-J6957DW
(MFC-J6957DW/MFC-J6959DW)

(HL-JF1)

When changing the tray size from the large paper size to the original size, be careful not to pinch your fingers in the gaps or slots in the bottom of the tray. It may cause injury to you.

(HL-JF1/HL-J6010DW/MFC-J3540DW/MFC-J3940DW/MFC-J6540DW/MFC-J6940DW/
MFC-J6955DW/MFC-J6957DW/MFC-J6959DW)

Be careful not to put your fingers in the areas shown in the illustrations. It may cause injury to you.

(HL-JF1/HL-J6010DW/MFC-J2740DW/MFC-J3540DW/MFC-J3940DW/MFC-J5740DW/
MFC-J5955DW/MFC-J6540DW/MFC-J6940DW/MFC-J6955DW/MFC-J6957DW/
MFC-J6959DW)

To prevent possible injuries, at least two people should lift the product. One person should hold the front of the product, and one person should hold the back, as shown in the illustration below. Carry the product by sliding your hands into the handhold indentations located on each side of the product. Be careful not to trap your fingers when you put the product down.

DO NOT carry the product by holding the areas shown in the illustrations. Doing this may cause the product to slip out of your hands and may result in injury.

(MFC-J5955DW)

(MFC-J2340DW/MFC-J5340DW/MFC-J5345DW)

Carry the product by sliding your hands into the handhold indentations located on each side of the product.

When carrying the product, remove the paper trays if they have been expanded to hold large size paper. The weight of the paper could cause the paper trays to fall and cause injury to you or others.

If the ink contacts your skin or gets into your eye or mouth, follow these steps immediately:

- If your skin comes into contact with the ink, wash your skin with water and soap immediately.
- If the ink gets into your eye, rinse it with water, and consult your doctor immediately. If left as is, it may cause redness or mild inflammation of the eye.
- If the ink gets into your mouth or you swallow it, spit it out, rinse your mouth, and consult your doctor immediately. Failure to seek medical attention could lead to sickness.

- Be careful not to get the ink in your eye when replacing ink cartridges.
- Keep ink cartridges out of the reach of children.
- Avoid swallowing ink.
- DO NOT shake ink cartridges unless specifically instructed to do so. Ink may leak if the cartridge is shaken or twirled.
- DO NOT dismantle ink cartridges. The ink may get in your eyes, or on your skin.

DO NOT run your hand over the edge of the paper. The thin and sharp edges of the paper may cause an injury.

(MFC-J3540DW/MFC-J3940DW/MFC-J6540DW/MFC-J6940DW/MFC-J6955DW/
MFC-J6957DW/MFC-J6959DW)

DO NOT remove or damage any of the caution or warning labels inside the product.

Moving parts are located in the grey shaded areas shown in the illustration. Keep your hands away from those areas when the parts are moving, or else injury may result.

DO NOT remove or damage the caution or warning label inside the product.

(HL-JF1/MFC-J6959DW)

Keep your hands away from the cutter blade (1) shown in the illustration. The cutter's sharp edge may cause an injury.

DO NOT remove or damage the caution or warning label inside the product.

IMPORTANT

- A distinct change in the product's performance may indicate a need for service.
 - DO NOT connect your product to an electrical socket controlled by wall switches or automatic timers, or to the same circuit as a large appliance or other equipment that requires a significant amount of electricity. It could disrupt the power supply. Disruption of the power supply may also delete information from the product's memory, and repeated cycling of the power supply can damage the product.
 - DO NOT put any objects on top of the product. Doing so may cause the product to malfunction.
 - If the product does not operate normally when the operating instructions are followed, adjust only those controls that are covered by the operating instructions. Incorrect adjustment of other controls may result in damage and will often require extensive work by a qualified technician to restore the product to normal operation.
-

Product Warranty & Liability

Nothing in this guide shall affect any existing product warranty or be construed as granting any additional product warranty. Failure to follow the safety instructions in this guide may invalidate your product's warranty.

WARNING

Only use the power cord supplied with this product (if included in the box).

Disconnect device

This product must be installed near an electrical socket that is easily accessible. In case of an emergency, you must unplug the power cord from the electrical socket to shut off the power completely.

Wireless LAN (Models with the Wireless LAN Function Only)

This Printer/Multifunction Printer supports Wireless LAN.

- Frequency band(s): 2400 MHz - 2483.5 MHz

Maximum radio-frequency power transmitted in the frequency band(s): Less than 21 dBm (e.i.r.p)

- Frequency band(s): 5150 MHz - 5350 MHz

Maximum radio-frequency power transmitted in the frequency band(s): Less than 23 dBm (e.i.r.p)

For indoor use only (5.15 GHz - 5.35 GHz)

- Frequency band(s): 5470 MHz - 5725 MHz

Maximum radio-frequency power transmitted in the frequency band(s): Less than 23 dBm (e.i.r.p)

NFC (Models with the NFC Function Only)

This Printer/Multifunction Printer supports NFC (Near Field Communication).

- (MFC-J3940DW/MFC-J6940DW)
Frequency band(s): 13.553 MHz - 13.567 MHz
- (HL-J6010DW/MFC-J5955DW/MFC-J6955DW/MFC-J6957DW/MFC-J6959DW)
Frequency band(s): 13.553 MHz - 13.567 MHz
Maximum radio-frequency power transmitted in the frequency band(s): Less than 111.5 dBuV/m at 10 m

LAN Connection (Models with the Wired LAN Function Only)

CAUTION

DO NOT connect this product to a LAN connection that is subject to over-voltages.

Recycling Information in Accordance with the WEEE and Battery Directives

Product Mark

Battery Mark

Europe Only

The product/battery is marked with one of the above recycling symbols. It indicates that at the end of the life of the product/battery, you should dispose of it separately at an appropriate collection point and not place it in the normal domestic waste stream.

Trademarks

Wi-Fi® and Wi-Fi Direct® are registered trademarks of Wi-Fi Alliance®.

Each company whose software title is mentioned in this manual has a Software Licence Agreement specific to its proprietary programs.

Any trade names and product names of companies appearing on Brother products, related documents and any other materials are all trademarks or registered trademarks of those respective companies.

Brother Customer Service

Customer Service

Visit global.brother/en/gateway for contact information for your local Brother office.

Service Centre Locations

For service centres in your country, contact your local Brother office. Address and telephone contact information for local offices can be found at global.brother/en/gateway by selecting your region and country.

Unlawful Use of Copying or Scanning Equipment (Products with the scanning function only)

It is an offence to make reproductions of certain items or documents with the intent to commit fraud. The following is a non-exhaustive list of documents which it may be unlawful to produce copies of. We suggest you check with your legal adviser and/or the relevant legal authorities if in doubt about a particular item or document:

- Currency
- Bonds or other certificates of indebtedness
- Certificates of deposit
- Armed forces service or draft papers
- Passports
- Postage stamps (cancelled or uncanceled)
- Immigration papers
- Welfare documents
- Cheques or drafts drawn by governmental agencies
- Identifying badges or insignias

In addition, driving licences and/or Certificates of Title to motor vehicles may not be copied or scanned under certain national laws.

Copyrighted works cannot be copied or scanned lawfully, subject to the "fair dealing" exception relating to sections of a copyrighted work. Multiple copies would indicate improper use. Works of art should be considered the equivalent of copyrighted works.

Information for compliance with Commission Regulation (EU)801/2013 (Great Britain only), (EU)2023/826 (Europe only)

To download the information for compliance with Commission Regulation, visit the Brother support website at support.brother.com/g/d/a4m9/.
