Wireless Module  
Module sans fil  
Módulo Wireless  
Módulo sem fio

<b>⚠ WARNING</b>	Indicates a potentially hazardous situation which, if the product is handled without following the warnings and instructions, could result in death or serious injuries.
<b>IMPORTANT</b>	Indicates a potentially hazardous situation which, if not avoided, may result in damage to property or loss of product functionality.

<b>⚠ WARNING</b>	<ul style="list-style-type: none"> <li>Do not use the machine with the Wireless Module installed in environments with other equipment, such as near medical equipment. Electromagnetic waves may cause medical equipment or other special equipment to malfunction.</li> <li>This product generates a weak magnetic field. If you feel anything wrong with the operation of your pacemaker when near the product, move away from the product and consult a doctor immediately.</li> <li>Keep the Wireless Module out of the reach of children, particularly infants, otherwise injuries may occur.</li> </ul>
<b>IMPORTANT</b>	<ul style="list-style-type: none"> <li>Only use the Wireless Module with the specified machine.</li> <li>Place the machine on a stable surface, such as a level desk, before installing or removing optional accessories.</li> <li>When installing optional accessories on the machine, do not allow cords to be trapped under or between machines. Otherwise, damage or malfunctions may occur.</li> </ul>

<b>⚠ ADVERTENCIA</b>	Indica una situación potencialmente peligrosa en la que, si el producto se maneja sin seguir las advertencias e instrucciones, podría resultar en muerte o lesiones graves.
<b>IMPORTANT</b>	Indica una situación potencialmente peligrosa que si no se evita podría resultar en daños materiales o pérdida de la funcionalidad del producto.

<b>⚠ ADVERTENCIA</b>	<ul style="list-style-type: none"> <li>No utilice la máquina con el Módulo Wireless instalado en entornos que tengan otros equipos, por ejemplo, cerca de equipo médico. Las ondas electromagnéticas pueden hacer que el equipo médico u otros equipos especiales no funcionen correctamente.</li> <li>Este producto genera un campo magnético débil. Si siente que algo no va bien con el funcionamiento de su marcapasos cuando se encuentre cerca del producto, alejese del producto y consulte a un médico inmediatamente.</li> <li>Mantenga el Módulo Wireless fuera del alcance de los niños, en particular los de menor edad, de lo contrario podrían producirse lesiones.</li> </ul>
<b>IMPORTANT</b>	<ul style="list-style-type: none"> <li>Utilice el Módulo Wireless solamente con la máquina especificada.</li> <li>Coloque la máquina sobre una superficie estable, por ejemplo, un escritorio que esté nivelado, antes de instalar o retirar accesorios opcionales.</li> <li>Cuando instale accesorios opcionales en la máquina, no permita que queden cables atrapados debajo o entre las máquinas. De lo contrario, se pueden producir daños o anomalías en el funcionamiento.</li> </ul>

- 7** Turn your machine's wireless network feature ON from the control panel. For more information, see the *Online User's Guide* at [support.brother.com/manuals](http://support.brother.com/manuals).  
 Activez la fonction sans fil de la machine depuis le panneau de contrôle. Pour obtenir plus d'informations, consultez le *Guide de l'utilisateur en ligne* à l'adresse [support.brother.com/manuals](http://support.brother.com/manuals).  
 Active la función de red inalámbrica de la máquina desde el panel de control. Para obtener más información, consulte la *Guía del usuario online* en [support.brother.com/manuals](http://support.brother.com/manuals).  
 Ligue a rede sem fio de sua máquina a partir do painel de controle. Para mais informações, consulte o *Manual do Usuário Online* em [support.brother.com/manuals](http://support.brother.com/manuals).

### Federal Communications Commission (FCC) Supplier's Declaration of Conformity (USA Only)

Responsible Party: Brother International Corporation  
200 Crossing Boulevard  
Bridgewater, NJ 08807-0911 USA  
TEL: (908) 704-1700

declares, that the products

Product Name: Color Laser Printer

Model Numbers: HL-L9410CDN/HL-L9430CDN/HL-L9470CDN/HL-EX470W

Product Name: Multi Function Printer

Model Numbers: MFC-L9610CDN/MFC-L9630CDN/MFC-L9670CDN/  
MFC-EX670W

comply with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

(Wireless network models only)

This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

#### IMPORTANT

Changes or modifications not expressly approved by Brother Industries, Ltd. could void the user's authority to operate the equipment.

#### Compliance with FCC requirement 15.407(c)

Data transmission is always initiated by software, which is passed down through the MAC, through the digital and analog baseband, and finally to the RF chip. Several special packets are initiated by the MAC. These are the only ways the digital baseband portion will turn on the RF transmitter, which it then turns off at the end of the packet. Therefore, the transmitter will be on only while one of the aforementioned packets is being transmitted. In other words, this device automatically discontinues transmission in case of either absence of information to transmit or operational failure.

Frequency Tolerance: 20 ppm

### RF Exposure Notice (USA or Canada Only) (Wireless Models Only)

This equipment complies with FCC/IC radiation exposure limits set forth for an uncontrolled environment and meets the FCC radio frequency (RF) Exposure Guidelines and RSS-102 of the IC radio frequency (RF) Exposure rules. This equipment should be installed and operated keeping the radiator at least 20 cm or more away from a person's body.

Cet équipement est conforme aux limites d'exposition aux rayonnements énoncées pour un environnement non contrôlé et respecte les lignes directrices d'exposition aux fréquences radioélectriques (RF) de la FCC et les règles d'exposition aux fréquences radioélectriques (RF) CNR-102 de l'IC. Cet équipement doit être installé et utilisé en gardant une distance de 20 cm ou plus entre le radiateur et le corps humain.

### Industry Canada Compliance Statement (Canada Only)

This Class A digital apparatus complies with Canadian ICES-003. Cet appareil numérique de la classe A est conforme à la norme NMB-003 du Canada.

Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of this device.

L'utilisation de ce dispositif est autorisée seulement aux conditions suivantes : (1) il ne doit pas produire de brouillage et (2) l'utilisateur du dispositif doit être prêt à accepter tout brouillage radioélectrique reçu, même si ce brouillage est susceptible de compromettre le fonctionnement du dispositif.

For indoor use only (5150-5350 MHz)

Pour usage intérieur seulement (5150-5350 MHz)

### Conexión inalámbrica (solo para México) (solo para modelos inalámbricos)

El funcionamiento de este equipo está sujeto a las siguientes dos condiciones: (1) es posible que este equipo o dispositivo no causen interferencias dañinas y (2) este equipo o dispositivo debe aceptar cualquier interferencia, incluidas las que puedan causar un funcionamiento no deseado.

La operación de este equipo está sujeta a las siguientes dos condiciones:

(1) es posible que este equipo o dispositivo no cause interferencia perjudicial y (2) este equipo o dispositivo debe aceptar cualquier interferencia, incluyendo la que pueda causar su operación no deseada.
