Product Safety Guide**

### NOTE:

- Manuals in Spanish for this model are available at [support.brother.com](http://support.brother.com).  
Manuales en Español para este modelo están disponibles en [support.brother.com](http://support.brother.com).
- The components included in the box may differ depending on your country.
- The available connection interfaces vary depending on the model. You must purchase the correct interface cable if you require one.
- **USB cable**  
We recommend using a USB 2.0 cable (Type A/B) that is no more than 6 feet (2 meters) long.
- **Network cable (DCP-L3560CDW / MFC-L3765CDW / MFC-L3760CDW / MFC-L3780CDW / MFC-L8395CDW)**  
Use a straight-through Category 5 (or greater) twisted-pair cable.
- The illustrations in this *Quick Setup Guide* show the MFC-L3780CDW.

## 1 Remove the packing materials and re-install the toner cartridge and drum unit assemblies

Remove all the blue packing tape.

Remove the orange parts from each cartridge.

x4

Push firmly.

## 2 Load paper in the paper tray

Do not exceed this mark.

## 3 Connect the power cord and turn the machine on

Location of the power button varies depending on the model.

Back

Front

### NOTE:

Before connecting the power cord, locate the Serial Number label on the back or side of the machine. Record this number for Registration and Warranty support.

## 4 Select your language (if needed)

■ For LCD models

1. Press **Menu**.
2. Press ▲ or ▼ to display [Initial Setup], and then press **OK**.
3. Press ▲ or ▼ to display [Local Language], and then press **OK**.
4. Press ▲ or ▼ to select your language, and then press **OK**.
5. Press **Stop/Exit**.

■ For Touchscreen models

1. On the machine's Touchscreen, press [Settings] > [All Settings] > [Initial Setup] > [Local Language].
2. Press your language.
3. Press .

## 5 Connect the telephone line cord (For MFC models)

If you do not plan to use the fax feature on this machine, go to step **7**.

## 6 Configure the machine for faxing (For MFC models)

If you do not plan to use the fax feature on this machine, go to step **7**.

**NOTE:**

- For more information on using the fax feature, see the *Online User's Guide*.
- Your machine is programmed to automatically receive faxes. To change this default mode, see the *Online User's Guide*.

### A. Set the date and time

Press  [Settings] > [All Settings] > [Initial Setup] > [Date & Time], and then set the date and time you want.

### B. Set the Station ID

Press  [Settings] > [All Settings] > [Initial Setup] > [Station ID], and then set your fax or telephone number and your name.

## 7 Connect your computer or mobile device to your machine

Follow these steps to complete the setup using one of the connection types available on your machine.

Visit [setup.brother.com](http://setup.brother.com) to download and install Brother software.

▶ Follow the on-screen instructions and prompts.

### Setup Finished

You can now print and scan using your machine.

To check for the latest firmware, visit [support.brother.com/up7](http://support.brother.com/up7).

### Important Notice for Network Security:

The default password to manage this machine's settings is located on the back of the machine and marked "Pwd". We recommend immediately changing the default password to protect your machine from unauthorized access.

Before connecting your machine to a 5 GHz Wi-Fi® network, confirm the channels that your machine supports. Go to [support.brother.com/g/d/a5m6/](http://support.brother.com/g/d/a5m6/), select your product, and then click **Download** for more information.

### Can't Connect? Check the following:

 Wireless network

▶ Restart your wireless access point/router (if possible).

 Wired network  
 USB connection

▶ Disconnect the cable.

▶ Restart your machine and computer, and then go to **7**.

▶ If still not successful, go to **8**.

▶ If still not successful, visit [support.brother.com](http://support.brother.com) for FAQs and Troubleshooting.

## 8 Manual wireless setup (Wireless models)

If the wireless setup is not successful, try to set up the connection manually.

Find your SSID (Network Name) and Network Key (Password) on your wireless access point/router and write them in the table provided below.

SSID (Network Name)	
Network Key (Password)	

■ For LCD models

Press **Menu**, and then select [Network] > [WLAN (Wi-Fi)] > [Find Network]. Follow the LCD instructions.

■ For Touchscreen models

Press  > [Find Wi-Fi Network]. Follow the Touchscreen instructions.

Select the SSID (Network Name) for your access point/router and enter the Network Key (Password).

• For LCD models

Press and hold ▲/▼ to select one of the following characters:  
0123456789abcdefghijklmnopqrstuvwxyz  
Z(space)!"#\$%&'()\*+,-./:;<=>?@[ ]^\_`{|}~

▶ Go to **7** to install software.

When the wireless setup is successful, the Touchscreen/LCD displays [Connected].

If setup is not successful, restart your Brother machine and your wireless access point/router, and repeat **8**.
