Quick Setup Guide
HL-L2400D / HL-L2402D

Read the *Product Safety Guide* first, then read this *Quick Setup Guide* for the correct installation procedure.
Not all models are available in all countries.

brother

The latest manuals are available at the Brother support website:
support.brother.com/manuals
Unpack the machine and check the components

Remove the protective tape or film covering the machine and the supplies.

Toner Cartridge and Drum Unit Assembly
AC Power Cord

Quick Setup Guide

Product Safety Guide

NOTE:
- The components included in the box may differ depending on your country.
- This product requires a USB cable to connect to a computer. If you do not already have one, please purchase a USB 2.0 cable (Type A/B) that is no more than 2 metres long.
- The screens and images in this *Quick Setup Guide* show the HL-L2402D.
- Brother aims to reduce waste and save both raw materials and the energy required to produce them.
  Read more about our environmental work at www.brotherearth.com.
- Save all packing materials and the box in case you must ship your machine.

---

1 Remove the packing materials and install the toner cartridge and drum unit assembly
