

Statements of Compliance

Manufacturer

Brother Industries, Ltd.
15-1, Naeshiro-Cho, Mizuho-ku, Nagoya 467-8561, Japan,

Declare under our sole responsibility that the equipment:

Product description: Household Sewing Machine
Model(s): M380

Product description: Household Embroidery Machine
Model(s): M340e

to which this declaration relates is/are in conformity with the security requirements in Schedule 1 on The Product Security and Telecommunications Infrastructure (Security Requirements for Relevant Connectable Products) Regulations 2023.

The defined support period for the product:

Brother devices conform to The Product Security and Telecommunications Infrastructure (Security Requirements for Relevant Connectable Products) Regulations 2023 and receive guaranteed software security updates until at least five years after the device is last in production.

After the initial support period, Brother shall use all reasonable endeavours to provide software updates for as long as reasonably practicable.

If you already own a Brother device, visit support.brother.com for information specific to your device.
